How many academic periods would you like to have available for your project?

_____ periods

How many total hours during the term will you devote to your project? (Include evenings and weekends.)

_____ hours

Course periods for alternate studies are made available in the following sequence:

- All two-term courses that end at the end of the winter term.
- Only three- and four-year seniors may elect not to take a spring term English elective, though athletes planning to play Division I or II athletics at college must take English.
- To create a block of available time during a specific period of the day, students occasionally switch sections of the same subject.

THIS OPTION IS SUGGESTED AND ORCHESTRATED BY THE REGISTRAR ONLY.
