## The Frank L. and Helen Childs Boyden Society

The Boyden Society was established in 1990 to honor and recognize those individuals who have made planned gifts to Deerfield. Each year, dozens of alumni, parents and friends show their deepest loyalty for Deerfield by including the school in their will, by designating Deerfield as a life insurance or IRA beneficiary, or by establishing gift annuities, charitable trusts and long term income funds. Deerfield is most grateful for the generosity demonstrated by those who choose to participate in the Boyden Society. These legacy gifts help Deerfield fund vital areas such as scholarships and faculty salaries, as well as play a crucial role in building the school's endowment.

TOM ASHLEY '11 FUND	Established in 2010 with a bequest of an anonymous donor, the Tom Ashley '11 Fund honors the memory of Thomas Williams Ashley '11 and the 100th anniversary of his senior year at Deerfield. Through his <i>Deerfield Experience</i> , Tom grew from an awkward, reticent farm boy from the north end of the street, to a talented athlete and fine student. After teaching one year at Deerfield, Tom enlisted in the Marine Corps. Tom died on the 6th of June 1918 at Chateau-Thierry at the Battle of Belleau Wood; his story of character and friendship continues to be passed down generation to generation.
