# How to reset your Barracuda Password

- Open your browser and navigate to **https://ess.barracudanetworks.com**

- Enter your email address in the field and click **Next**

- Under the password field, click the link that says **Send Login Information**

- You will receive an email with the subject **Login Information** from *noreply@barracuda.com.*

- Click the first link in the email to reset your password.

    Please note that the links in the email will expire after 1 hour.
