DURING LUNCH

We are proud to present the Jostens Class Ring to the students and parents of the Class of 2026! As your Official Class Ring supplier, we provide you with the highest quality service, value, and class ring that are available today.

The traditional Deerfield Academy Class Ring is a custom-made signet ring with the Deerfield Door engraved on the crown. The ring will be available in different metal choices and three different ring sizes to meet your individual taste. Your graduation year and your full name engraving, or initials allows you to personalize your ring.

We understand the significance of this milestone, and our goal is to ensure that your class ring reflects your unique journey and achievements at Deerfield Academy. With Jostens, you can cherish these memories for a lifetime. We look forward to being a part of your celebration and helping you commemorate this special occasion with a timeless keepsake.
