

Welcome, newly admitted students and families! We are thrilled that you are joining us for a Spring Visit Day. Today is all about you: We want to answer your questions, address your concerns, and give you a glimpse into a day in the life of a Deerfield student. Whether you have already decided to attend Deerfield or are still considering your options, we hope today is inspiring, informative, and fun. We think that you and Deerfield are a great match, and we hope you choose to join our community.

On behalf of Deerfield's faculty, staff, and students, we welcome you to Spring Visit Day!
Go Big Green!

Warmly,
The Deerfield Admission Team

DEERFIELD ACADEMY LAPTOP PROGRAM

Congratulations on your acceptance to Deerfield Academy! As a Deerfield student, you will participate in our student laptop program. This means that a new Apple MacBook Air will be yours while you are a student here! Every student has a laptop, and every academic building, student room, and most public spaces provide high-speed wireless service.

Your laptop will include our standard software applications including access to the latest version of Microsoft 365 apps, antivirus software, and access to several discipline-specific applications. The laptop will be protected with a four-year warranty as well as an insurance policy against theft and accidental damage. It can be brought to the ITS Help Desk at any time for refreshing or repair and loaner laptops are available while your computer is in the shop.

If you choose to attend Deerfield Academy, you will receive more detailed information about the Laptop Program. In the meantime, please contact Director of Information Technology Services **Kimberly Butz** at kbutz@deerfield.edu or (413)774-1444, if you have questions or concerns.
